The City of Temple Terrace's Personnel Policy governs employment-related complaints of disability discrimination.

The complaint should be in writing and contain information about the alleged discrimination such as name, address, phone number of complainant and location, date, and description of the problem. Upon request, alternative means of filing complaints, such as personal interviews or a tape recording of the complaint, will be made available for persons with disabilities.

The complaint should be submitted by the grievant or designee as soon as possible but no later than 60 calendar days after the alleged violation to:
